Fellowship Beyond Boundaries

Celebrating the 'Family of Rotary' through the vibrant language of dance.

An Exclusive Gathering

Family of Rotary

This event is exclusively curated for Rotarians and their families. It is a dedicated space to bond, relax, and celebrate our shared values outside of service projects.

Inter-District Spirit

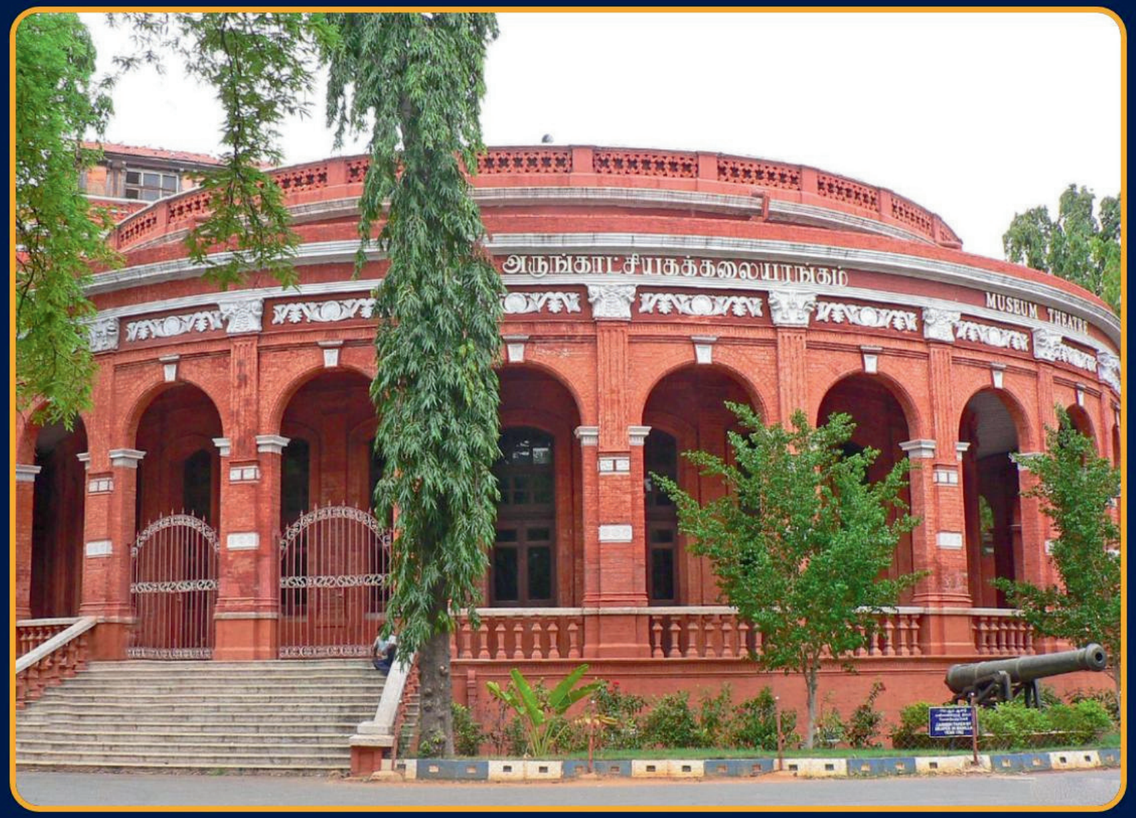

We are honored to invite neighboring districts to join District 3233. This multi-district participation fosters stronger regional ties and cross-district fellowship.

The Grand Stage

Museum Theatre, Chennai

The historic Museum Theatre at Egmore provides the perfect acoustic and aesthetic backdrop for our cultural gala. Its 19th-century architecture adds a touch of timeless prestige to our event.

As we gather in this iconic circular auditorium, the legacy of the venue meets the forward-looking spirit of Rotary.
